AWS Class Setup

AWS URL: https://etp-brianhickey.signin.aws.amazon.com/console

Item	Value
Sign-in URL	(See above)
Account alias (or 12-digit account ID)	etp-brianhickey
Bootstrap user name	student
Bootstrap password	<instructor provided>
Region	US East (N. Virginia) us-east-1
Group name	students

- Each student needs to sign in as the shared `student` user. From there, each person creates their own IAM user, adds it to the `students` group, signs out, and signs back in as themselves.
